Rich,
Karen Johnson (WPD) provided us with the map and it was cleared for our use. Karen might be best source to define "site" too.

Bob,

How did you decide on the area for your AROA map? we are trying to decide on how to define the site and thought about your map as an idea. I don't know if you have coordinates that you could share with define the map area either.

Let me know what you have.

thanks.

Rich
